No detail was overlooked during the complete renovation of this gorgeous two bed, two bath home in prime Chelsea. The apartment features hardwood floors throughout, high ceilings, recessed lighting, custom molding, an abundance of storage. The large bright foyer feature two oversized entry closets which separate the foyer from the living room. As you enter the open living room you are greeted by intricate crown moldings, original exposed brick, recessed lighting and windows with northern exposure. The living room offers ample entertaining space along with a dining area.
